7JPA History AWh (G8) (Tuesday 1st Dec P2)

All of the Year 7 exams will take place in lessons this week and therefore the classrooms on the students timetables

Please turn over this sheet to see what topics each subject will be covering in their exam. We are giving the students this information to help them prepare for their exams. Each subject area will also set specific revision and provide materials based on the topic areas identified. We expect all students in Year 7 to do some work in their own time so that they can achieve what they are capable of in their exams.

YEAR 7 EXAMS TIMETABLE
23rd – 27th Nov 2026

Below you will find details on the content for the exams you will do during the week. You must revise for these exams, aim for a minimum of 1 hour per night and slightly more at weekends.

Subject	Revision
English	**Vocabulary**: Revise the definitions and spellings of the following key words: **Corrupt, Vulnerable, Exploitation, Empathy, Prejudice, Deprivation, Altruistic, Impoverished, Injustice, Privileged.** **Reading**: Read the unseen extract and explain how the writer presents a character in a particular way. (Use what, how, why paragraphs). **Writing**: Write the opening paragraphs of a short story. Use ambitious vocabulary and make your writing engaging by using a range of techniques such as adjectives, verbs, similes and sensory appeal (to name but a few!).
Maths	**7 Core (7Y1, 7Y2, 7X1, 7X2) Kernels:** Negative numbers in context, square numbers and square roots, multiplication (one 1 by a 2 digit number), short division by a single digit, BIDMAS (no brackets or indices), identifying factors and multiples, identifying basic 2D shapes and calculating the perimeter **Topics to Improve:** Long division, negative number calculations, rounding whole numbers to significant figures, rounding numbers less than one to significant figures **Problem Solving:** Multiplying by 10, 100 and 1000, short division by a two digit number, identifying prime numbers, calculations with negative numbers, BIDMAS with brackets and indices, lowest common multiple, highest common factor, rounding to significant figures and decimal places, multiplying decimals and product of prime factors **7 Support (7Y3, 7X3, 7X4) Kernels:** Addition, subtraction, multiplication (1 digit by a 2 digit number), division from the times tables, identifying multiples, multiplying by 10, identifying basic 2D shapes and calculating the perimeter **Topics to Improve:** Mixed BIDMAS questions (no brackets or indices), multiplying and dividing by 10, 100 and 1000, listing multiples and listing factors **Problem Solving:** Squares and square roots, dividing by 10, 100 and 1000, negative numbers in context, short division by a single digit, adding and subtracting with decimal numbers, multiplying a 2 digit by a 2 digit number, rounding to 10, 100 and 1000, identifying factors, multiples and primes
Science	**Need to know nuggets, Particle theory, skills- calculating a mean, plotting a graph, identifying variables, describing trends**
History	Knowledge section: You will be given 20 key facts that you need to revise and five longer knowledge questions. Source analysis and extended writing section: Impact of migration to Britain after 1066.
Geography	Topics on the exam: Making connections (push/pull factors, food miles, locations) and industrial sectors
French	**The test will consist of the following:** **Writing: a 30-40 word task:** a description of yourself (physical description and character). **Translation:personal details(name/age/birthday/where you live/what you are like as a person** **Vocabulary to learn:** key verbs in the present tense. adjectives to describe character, basic personal questions. Opinion phrases
Technology	The exam will be based on the projects completed so far. Please revise: 1. Safety rules and tools and equipment in all areas of technology including the parts of the sewing machine 2. Properties of cotton fabric, risks and hazards in resistant materials and the use of adhesives 3. Apple crumble making, plastic pollution, the 6 R's and sustainability.
