

1st March 2021

Dear Parent/Carer,

We recognise that many families are facing incredibly challenging times financially due to the pandemic and that school uniform presents yet another burden so I am delighted that the Local Authority are funding uniform vouchers for all students eligible for free school meals. You will receive two separate vouchers:

- £20 to use with our uniform supplier
- £25 for a supermarket of your choice to buy additional uniform such as shirts and shoes

These vouchers are valid until the end of the year so do not need to be spent now, but I know that some families may well need them straight away so that children can come to school in full uniform. In order for us to organise the vouchers with the Local Authority we need to know which supermarket you would like the £25 voucher for. Please complete the form [here](#) and we will get these out to you as soon as possible.

I have also attached a copy of our uniform standards to remind you of our expectations.

Best wishes

Jonathan
