

## **Cover Supervisor**

**Grade 5 PTS 7-9 (£19,047 - £20,373 Term Time + 195 Days)**

### **Required as Soon as Possible**

John Spence is a popular and successful school, serving students from the North Shields area of North Tyneside.

We have an exciting opportunity for a creative, hardworking professional to join our team as a Cover Supervisor. The successful candidate may have experience of working with children in the 11-16 age range but this is not essential. They will have high expectations when supporting teaching and learning throughout the school.

The successful candidate will work as part of a team, supervising the learning of whole classes during the short term absence of the class teacher and undertaking teaching assistant duties when not required for cover.

We take pride in the school's academic achievement, whilst being firmly committed to Inclusion and the 'Every Child Matters' agenda. Therefore, if you are passionate about education and enjoy a challenge, this is the job for you. Potential candidates are welcome to contact Mrs Leanne Clay (Deputy Headteacher) for an informal discussion.

Application forms and further details can be downloaded via school website :
