March 2023

Dear Parent/Carer

Your child's HPV (Human Papillomavirus) Vaccination is now due.

The Health Security agency recommends that children in year 8 are offered a single dose of the HPV vaccine.

We will be visiting your child's school on **18th May 2023**. Please complete a consent or non-consent form in full using the following school code: **NB108644**

The online consent form can be accessed via any online device. Please click on the following link <https://www.northumbriaimmunisations.co.uk/Forms/HPV> which will direct you to an online form for you to complete if you **consent** or **non-consent** to these vaccinations.

In the rare event that you do not have access to the internet, please contact the Immunisation Team who will complete a consent form with you over the phone.

If a consent form is not completed by midday at least 48 working day hours before our visit your child may not receive their immunisation at school.

If you require further information regarding the vaccines we offer please go to our Immunisation website which has full details of our service: <https://www.northumbria.nhs.uk/our-services/childrens-services/immunisations>

If you have any queries regarding the online consent form please contact the Northumbria Healthcare School Aged Immunisation Team on 0191 282 8979

Yours sincerely,

Northumbria Healthcare School Aged Immunisation Team
