John Spence Community High School

Anti-Bullying Policy

Aim:

The aim of the anti-bullying policy is to ensure that pupils learn in a supportive, caring and safe environment without the fear of being bullied and that staff are free from fear of bullying by pupils. Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated. Only when all issues of bullying are addressed will pupils be able to fully benefit from the opportunities available at school.

Statutory duties of school:

Headteachers have a legal duty under the School standards and Framework act 1998 to draw up procedures to prevent bullying among pupils and to bring these procedures to the attention of staff, parents and pupils. Under the Education Inspections bill 2006 the duties are extended to include preventing/responding to bullying that happens outside school, where it is reasonable to do so. Schools also have a duty to 'safeguard' and promote the welfare of pupils (Education act 2002) and to ensure that children and young people are safe from bullying and discrimination (Children Act 2004). Government guidance advises that the policy should also address the bullying of staff by pupils ('Safe to Learn' DCSF 2007) (Coalition Government documents and law equality Act 2010, Education Act 2011)

Scope of this policy and links to other policies •

- Bullying of pupils by pupils within school
- Bullying of and/or by pupils outside of school, where the school is aware of it
- Bullying of staff by pupils within or outside school

Allegations about bullying of pupils by staff will be dealt with under the school's safeguarding Policy.

This policy has links to the following school policies and procedures:

- Equality and diversity policy
- Behaviour policy
- Acceptable use policy (internet safety)
- Safeguarding (child protection) policy
- Child Protection Policy
- Complaints procedures
- SEN Policy and practice

Definition:

The school is anxious to differentiate between conflict, mutual harassment and real bullying. In schools there are often disputes and arguments between young people who resort to verbal abuse and sometimes fight to resolve differences of opinion. Where mutual harassment is established, both parties must accept responsibility for their actions.

However, bullying is behaviour which is deliberately designed to intimidate and control others, and which leaves a child or young person unhappy, bewildered, frightened or threatened.

- Physically and/or mentally hurt or worried
- Unsafe and/or frightened
- Unable to do well and achieve
- different, alone, unimportant and/or unvalued
- Unable to see a happy and exciting future for yourself.

In order for John Spence Community High School pupils to be 'Fit for Life' with specific reference to considerate behaviour, bullying must be identified and eradicated.

What does bullying look like, feel like, sound like?

Bullying is any behaviour by an individual or group that:

- Is meant to hurt – the person or people doing the bullying know what they are doing and mean to do it.
- happens more than once – there will be a pattern of behaviour, not just a 'one-off' incident
- Involves an imbalance of power – the person being bullied will usually find it very hard to defend themselves.

It can be:

- Physical, e.g. kicking, hitting, taking and damaging belongings
- Verbal, e.g. name calling, taunting, threats, offensive/personal remarks
- Relational, e.g. spreading nasty stories, gossiping, excluding from social groups
- Cyber, e.g. e-mails, picture/video clip bullying, Instant Messaging (IM)
- Indirect, e.g. graffiti, defacing of property, display of pornographic, class, disability, homophobic, racist or sexist material.

Who bullies?

Anyone has the capacity to bully. There are no completely reliable predisposition diagnoses. However, those who perceive themselves as low status within a community, institution or group may use bullying in an attempt to artificially boost their status. Self-esteem is therefore a key factor in whether someone bullies or not. This puts equal opportunities and inclusion at the centre of all anti-bullying work in schools.

Who is bullied?

Anyone can be bullied – young person, parent/carer/guardian, staff member or volunteer. People who suffer bullying are often perceived by others to be different. Sometimes the perceived difference is individual to that person – shyness, physical appearance, clothing and possessions, accent, perceived inappropriate behaviour. Frequently the perceived difference comes from assigning an individual to a group. Such bullying would then be designated as class, disability, homophobic, racist, religious or sexist. People can be assigned or be a member of more than one group.

Identifying and reporting concerns about bullying

All concerns about bullying will be taken seriously and investigated thoroughly. Pupils who are being bullied may not report it. However, there may be changes in their behaviour, such as becoming shy and nervous, feigning illness, taking unusual absence or clinging to adults. There may be evidence of changes in work patterns, lacking concentration or truanting from school. All school staff will be alert to the signs of bullying and act promptly and firmly against it in accordance with this policy.

Pupils who are bullying others also need support to help them understand and change their behaviour.

Pupils who are aware of bullying ('bystanders') can be a powerful force in helping to address it and will be encouraged to do so in a safe way. All pupils will be encouraged to report bullying by:

- Talking to a member of staff of their choice
- Contacting local and national support agencies for advice/support

A member of staff, who believes that he or she is being bullied or harassed, will be encouraged to report it to a colleague of their choice.

Parents will be encouraged to report concerns about bullying and to support the school in tackling it. Trying to resolve bullying directly with the bully or their families can lead to problems escalating.

Responding to reports about bullying

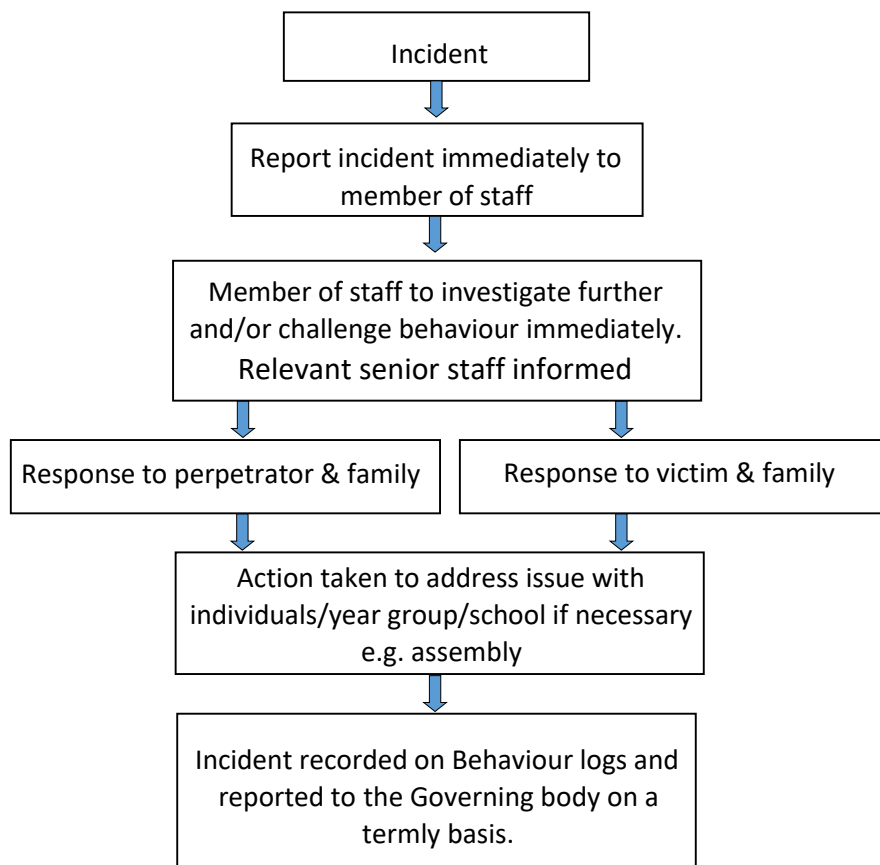

School

The school will take the following steps when dealing with concerns about bullying:

- If bullying is suspected or reported, it will be dealt with immediately by the member of staff who has been made aware of it.
- A clear account of the concern will be recorded and given to a senior member of staff (Head of department/Head of Year) or a member of the SLT.
- The investigating member of staff will interview everyone involved and keep a record. This will be held in line with the school's data protection policy/practice.

- Form tutors will be kept informed and if it persists the form tutor will advise the appropriate subject staff.
- Parents and other relevant adults will be kept informed.
- Where bullying occurs outside school, any other relevant schools or agencies will be informed and advice/support obtained.
- Punitive measures will be used as appropriate and in consultation with all parties involved.
- School currently adopts a practice of Restorative practice. Mentors are trained alongside relevant staff and have successfully re-integrated students. Further training will be undertaken in light of new initiatives by Vicky Yardley Tameside Restorative Justice Group. Staff and pupils in Years 10/11 will be trained further, ensuring good practice throughout school and all in all year groups.

Responding to and reporting incidents

Where an allegation is made against a member of staff the allegation will be referred to the Resolving Grievances at Work Policy.

Pupils & Staff

Pupils who have been bullied will be supported by:

- Discussing what happened.

- Discovering why the pupil became involved
- Establishing the wrongdoing and need to change
- Informing parents to help change the attitude of the pupil
- The use of special interventions and/or referrals to other agencies where appropriate.
- Mentors

The following disciplinary steps can be taken:

- Group or 1 to 1 work to explain the negative effects of bullying to the perpetrators and their cohort.
- Official warnings to cease offending
- Detention
- Suspension from certain areas of the school premises
- Confiscation of mobile phones, in line with our Acceptable use (internet safety) policy
- Fixed term suspension
- Permanent exclusion

Staff who have been bullied will be supported by:

- Offering an immediate opportunity to discuss the experience with a member of staff of their choice.
- Providing reassurance that the bullying will be addressed
- Offering continuous support.
- Restoring self-esteem and confidence
- The use of specialist interventions and/or referrals to other agencies e.g. educational psychology, where appropriate.
- Help and advice on how to remove online material.

Parents

- Most concerns about bullying will be resolved through discussion between home and school. However, where a parent feels their concerns have not been resolved, they are encouraged to use the formal Complaints Procedure.
- Where a pupil is involved in bullying others outside school, i.e. in the street or through the use of internet at home, parents will be asked to work with the school in addressing their child's behaviour, for example, restricting/monitoring their use of the internet or mobile phone
- Referral of the family to external support agencies will be made where appropriate.

Preventative measures

The school will:

- Raise awareness of the nature of bullying through inclusion in form time, assemblies, subject areas and informal discussion, as appropriate, in an attempt to eradicate such behaviour.

- Give care and support to create and maintain a safe learning environment where all pupils feel safe, secure and valued and know they will be listened to and taken seriously in line with the school ethos.
- Participate in local and national initiatives such as Anti-Bullying Week and the work of the LA's behaviour for Learning.
- Seek to develop links with the wider community that will support inclusive, anti-bullying education
- Refer to the LA guidelines on 'Bullying in the Workplace' where an adult in the community believes that he/she is being bullied by another adult.

Promotion of this Policy

The policy and methods for reporting bullying concerns will be promoted throughout the school, for example in information packs for new pupils and staff and through regular awareness raising activities with existing pupils and parents.

Monitoring, evaluation and review

A senior member of this school staff will be identified to lead on the implementation of the policy and act as the link person with the LA and outside agencies.

An annual report will be made to the governing body, including statistics about:

- The number of reported concerns
- Monitoring information about the pupils involved
- Motivations for bullying
- Actions taken and outcomes

The school will review the policy annually and assess its implementation and effectiveness.
