

Transition News

KEY STAFF

Mr Heath
Headteacher

I have been headteacher at John Spence for over 5 years, last year saw the Year 7 who started with me sitting their GCSE exams! They did very well and achieved the best results seen at John Spence since GCSE reform many years ago. It seems strange to be writing to parents of Year 6 pupils who will be joining us in September about GCSEs, but that is the ultimate destination for your child once they join us, but be reassured they will receive a wealth of opportunities to help them thrive in all aspects of their education and wider lives. I am proud of our provision and know that those children who attend school every day and seize the opportunities available to them perform very well and develop the attributes that are needed to be Fit for Life. We want your child to be resilient, skilled and considerate citizens when they leave us and move onto the next stage of their education. I appreciate that transition to secondary school is both an exciting and anxious time for children and parents, we have an expert team who will help make the process as smooth as possible. I urge you to contact school if you have any questions or are unsure of anything, so that we can put your mind at rest and help to make the experience of joining John Spence a wholly positive one. I look forward to meeting with you all in the coming weeks, months and indeed years!

NEWS:

Thank you for attending our welcome evening on Wednesday. It was lovely to meet you all and we are excited for you joining us in September.

Each fortnight we will be sending out 'Transition News' which will include a little bit of information about what life is like at John Spence.

The flyer will also include any jobs that we need you to do (please see below).

Finally, we have also included an attachment to this email which details transition contact details and key upcoming events.

TO DO:

- Contact us if you have any questions or concerns about transition.
- Return the data collection form (google form)
- Return the consent form (google form)
